

Membership Benefits

Whether you're an employer who wants to provide transportation benefits to your employees or an individual looking for an easy way to get around downtown, City Go is the right place for you.

Membership that does more

The benefits of a City Go membership go beyond access to discounted passes and services.

Members get expert advice, planning, and program development aimed at promoting sustainable transportation. Members help shape the future of growth management and transportation infrastructure in Boise and the Treasure Valley through relevant programming, outreach, and advocacy.
