

How to Use the BikeBOI Bike Locker

City Go Members access the BikeBOI Bike Parking free! Located in the 8th & Main garage, the locker is open 24/7. The bike locker provides secure and convenient street-level parking for up to 42 bicycles at a time.

How to Use the Bike Locker

1. Request a BikeBOI Key Card.

Add BikeBOI Bike Parking to your City Go Member account. Provide personal information and details about your bike, and a key card will be issued.

2. Access the locker.

Enter through the Main Street garage entrance, and be aware of any vehicles. Using your authorized key card, enter the bike locker with your bike.

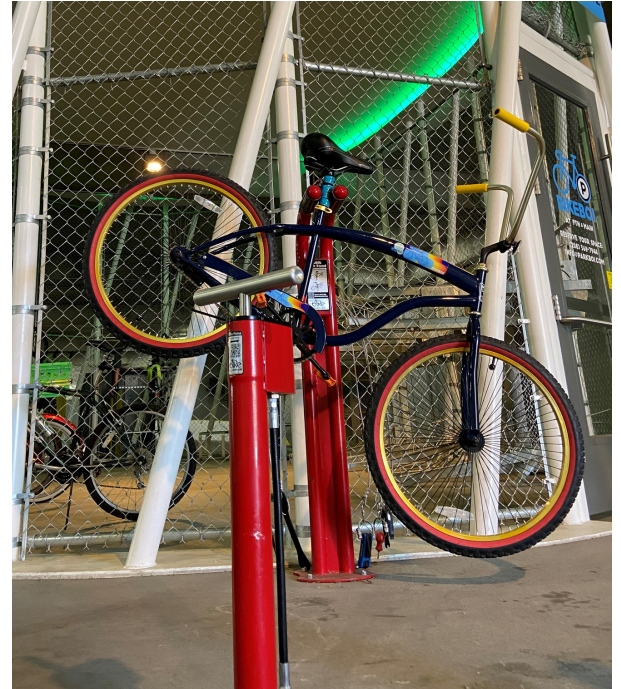

3. Secure your bike.

Attach your bike to one of the open bike racks and secure it with your personal lock. Once your bike is secured, exit the locker.

4. Get your bike.

Bikes can only be stored for up to 72 hours. When you're ready, simply access the locker, unlock your bike, and close the locker entrance when done.

Helpful Tips

- Changing before work? There are **18 lockers** and seating for changing in and out of bike gear.
- **Keep it secure.** With key-card access, safety lighting, and video camera security, your bike is well protected.
- Got a big bike? Use one of the **three black floor racks for oversized bicycles** (cargo bikes, utility bikes, recumbents, tandems).
- **First come, first served!** Space is limited, and if the shelter is full, you'll need to secure your bike elsewhere.
