

How to Ride the Bus

With a City Go Membership, you get discounted monthly and annual fare on all VRT buses. So take your foot off the pedal and let someone else do the driving! Plus, enjoy free wi-fi on each bus, and bike racks to keep you rolling once you reach your stop.

How to Ride

1. Find your route.

With more than 25 routes and approximately 800 stops, it's easy to find an option close by. Visit ValleyRegionalTransit.org or download the Umo Mobility app to look up your route.

2. Get your fare.

Fares are \$1.50 for a one-way trip and \$2.50 for an all-day pass. Pay with the Umo Mobility app, City Go Smartcard, cash and change, or use your discounted 31-day bus pass (available through with a City Go membership).

3. Get to your stop.

Walk, bike, or catch a Lyft to your bus stop. Keep an eye on your bus with the Umo Mobility app or the route page on ValleyRegionalTransit.org
