

How to Set Up a Vanpool

Looking to save some cash while commuting to work with folks that share a similar route? Vanpool can get you there! And with a City Go Membership, you can save up to 10% off regular vanpool membership.

How to Set Up a Vanpool

1. Call Commuteride to Find Your Vanpool.

Dial (208) 345-7665 between 8 AM - 5 PM and a Commuting Specialist will match you with a vanpool.

2. Complete Details.

Using the "Van Number" that the Commuting Specialist shared with you, complete the [Participant Agreement Form](#) online through the City Go Shop.

3. Pay through City Go.

In the [City Go Shop](#), select either the "Intercounty" or "Out-of-County" option to pay for your vanpool. Provide your credit card information and Commuteride Customer Number in the form. Once submitted, City Go will work with Commuteride to process your application.

4. Roll with Red.

You're now set up to commute with Club Red.
